Parent and Policy Information Kids Kollege 2018

The registration deadline for Kids Kollege 2018 is July 1, 2018. Registrations are first come, first serve. A student is not considered enrolled until the tuition, registration form and release form are received.

A maximum of 16 students will be accepted per class (Lego Robotics classes are limited to 12). A waiting list will be kept for classes that fill. A minimum enrollment of 8 students is required for a class to take place. If the minimum is not enrolled, the class will be canceled and tuition reimbursed or applied to another choice of classes. You will be contacted if a change needs to be made.

Parents are asked to deliver their children to their classrooms in the Prizery or Southern Virginia Higher Education Center or Innovation Center. Children will also need to be picked up in the classroom by parents. Classes will be from 9:00 a.m. to 12:00 noon, Monday-Friday. Please bring children no earlier than 8:50 and pick them up between 11:50 and noon.

Students should eat before they come to class since no food or beverages will be provided. Students need to bring non-perishable snack items from home to have during refreshment break. No food or drink will be available for purchase during class time.

*Please let us know if your child has any allergies.

Discipline Policy:

Each child is expected to demonstrate appropriate behavior necessary for learning. If a child disrupts a class and does not respond to correction, his/her parents or guardian will be contacted to pick up the child. The child will be allowed to return to class the following day. However, if the child continues the disruptive behavior, he/she will not be allowed to stay in the program and no tuition will be refunded.

Location: **The Prizery**

Everyone can be a star! It just takes a little practice! Join us as we have lots of fun creating characters, playing games, wearing REAL costumes, pretending and performing!

Super Science Secrets

Instructor: **Wanda Williamson**

Ages: **8-10**

Location: **Southern Virginia Higher Education Center**

Did you know you can make raisins dance, create a rainbow in milk, or make ice cream in a bag? Learn the science secrets of making all this happen, and many more fun and exciting activities planned for future scientists! All you need is imagination to discover the super science secrets in the world at your fingertips!

Legos, Legos, and More Legos

Instructor: **Veronica Raney**

Ages: **7-9**

Location: **Southern Virginia Higher Education Center**

Lego Alert! Join us to build a dogbot, dragster, robot arm and over twenty other models with working motors! You and your partner will work together to create and show off your design! Spend a week in the amazing land of LEGOS! **CLASS LIMITED TO 12 PARTICIPANTS.**

Do You Want to be a Princess?

Instructor: **Annette Ferguson**

Ages: **5-7**

Location: **The Prizery**

Hear ye! Hear ye! All you young princesses... Your presence is hereby requested at the "palace" (Kids Kollege) July 9-13 for a royal princess class. Join us for a week of all things "princess"... games, crafts, role playing, stories, dancing, etc. We will find many ways to let our sparkle out for the world to see. We might get some inspiration from Elsa, Anna, Belle, Cinderella, Ariel and others!

Planet Coaster

Instructor: **Lisa Burton**

Ages: **9-12**

Location: **Innovation Center CAD Lab**

Use the high tech CAD Lab computers to lay paths, map out scenery, raise mountains, and customize rides as you create your own theme park. Design your favorite park or ride and use K'Nex building sets to construct models of rides that really move! Build it, name it, and share it!

Art Connection

Instructor: **Barbara Cole**

Ages: **8-12**

Location: **The Prizery**

Enjoy a fun-filled week of making your own masterpieces as future artists discover how to use the elements of design in their artwork. You'll be exploring a variety of media as you develop both two-dimensional and three-dimensional works of art. Each day will bring new experiences, so get ready to connect with art!

American Dolls: Come Strut Your Stuff!

Instructor: **Ashley White**

Ages: **8-12**

Location: **Southern Virginia Higher Education Center**

Does the idea of showing off your favorite American Doll sound exciting? How about being able to showcase her favorite accessories? If so, then this year's American Dolls class will be right up your alley! In addition, we will also have story read aloud time, have fun with arts and crafts, and of course, have free time to be creative! Join us for an exciting summer session with your American Doll!

July 16th-20th Classes

Combination: ***Supercharged Crafts/Superheroes in Training***

Instructors: **Kimberly Rich/Ruth Smith-Leigh**

Ages: **5-7**

Location: **The Prizery**

Supercharged Crafts

Let your crafting skills extend beyond your wildest dreams! Ignite your passion for superheroes when you create your own cape, mask, arm cuffs and more. Unleash your creativity with painting, dough crafts, and weaving. Creativity is key and fun is a must!

Superheroes in Training!

Are you ready for the world of Superheroes? Who is your favorite master of the Universe? Enjoy conquer-the-world activities and discover your own superhero power. It will be a zinger of a week!

S.T.E.M. plus Kids= "Funology"

Instructor: **Dianne Talbott**

Ages: **8-12**

Location: **Southern Virginia Higher Education Center**

Let's put those hands and minds to work solving some S.T.E.M. challenges (science, technology, engineering, math). We will see if you can design objects that will fly over walls and stretch across valleys. Will your creations be stable enough to survive a "tornado" or "tsunami"? We will explore S.T.E.M. activities while having fun along the way!

In the Spotlight!

Instructor: **Sandy Slayton**

Ages: **8-12**

Location: **The Prizery**

Get bitten by the acting bug! Costumes, props, lights... applause! You will use your imagination and creativity as you play theater games, learn to work together, and practice acting techniques designed to improve your stage presence to get ready for the spotlight! No experience necessary... just enthusiasm!

LEGOS: Build and Program

Instructor: **Lisa Burton**

Ages: **7-8**

Location: **Southern Virginia Higher Education Center**

Get hooked on LEGOS when you use your skills to build a moving scarecrow, a swing that really works, and a model to help you get over the treacherous Crocodile River! Program an ice hockey player and a dog to get them to move in any direction. Once you enter the world of LEGOS, you will never want to leave! **CLASS LIMITED TO 12 PARTICIPANTS.**

Become a Designer!

Instructor: **Susi Robbins**

Ages: **8-12**

Location: **The Prizery**

Create ways to make your own fashion statement! Try your hand at sewing, basic embroidery, and stitching techniques. Become a master at designing head bands, and produce your own original necklaces and fashion jewelry. Other decorating ideas will be a part of this fun-filled week!

LEGOS to the Max!

Instructor: **Veronica Raney**

Ages: **9-12**

Location: **Southern Virginia Higher Education Center**

Work with LEGO technic developer kits to build a monster truck or design your own vehicle! Use teamwork to test your creation with friendly competition such as races, hill climb, and rough terrain challenges! **CLASS LIMITED TO 12 PARTICIPANTS.**
