Did you ever want to know more about the world outside? Incredible insects, phenomenal plants, and amazing animals are waiting for you when we make bird finders, a leaf identification book, and friendly creepy crawlies! Discovering the secrets of nature through books and crafts will make your mind bloom! Join us for an adventure into nature and lots of hands on activities!

Needles and Noodles

Instructor: Susi Robbins

Location: The Prizery • Ages: 8-12

Make your own healthy snacks and save mom some time! Learn to plan a party, create a centerpiece, place napkins and silverware properly on a table AND prepare healthy food using a food processor, panini grill, oven and stove top! Then you can embroider your napkins or a special article of your clothing using your party theme or your favorite pattern. Good things to know and lots of fun! **NOT RECOMMENDED FOR CHILDREN WITH FOOD ALLERGIES.**

CSI...WHO DONE IT?

Instructor: Liza Holmes Griffin

Location: Southern Virginia Higher Education Center • Ages: 8-12

Become a junior detective as you explore techniques used to solve crimes. Collect and analyze fingerprints, mysterious powders, and suspicious handwritten notes. Survey crime scenes and collect clues. Solve the mysteries with confidence!

Planet Coaster

Instructor: Lisa Burton

Location: The Innovation Center • Ages: 9-12

Use the high-tech Innovation Center computers to lay paths, map out scenery, raise mountains, and customize rides as you create your own theme park. Design your favorite park or ride and use K'Nex building sets to construct models of rides that really move! Build it, name it, and share it!

Art Around the World

Instructor: Deitra Hart

Location: The Prizery • Ages: 8-10

Get your passport ready to travel around the world to create art from different countries! We will begin our trip in Australia and travel to India, Africa, England, France, and Mexico before returning to the United States to complete our art journey. We will get our hands messy as we experiment with paint, watercolors, oil pastels, chalk, colored pencils, collage paper and clay to create masterpieces inspired by the art, culture, and history of these countries. If you are ready for an art adventure, this class is for you!

Parent and Policy Information Kids Kollege 2019

The registration deadline for Kids Kollege is July 1, 2019. Registrations are first come, first serve. A student is not considered enrolled until the tuition, registration form and release form are received.

A maximum of 16 students will be accepted per class (Legos classes are limited to 12). A waiting list will be kept for classes that fill. A minimum enrollment of 8 students is required for a class to take place. If the minimum is not enrolled, the class will be canceled and tuition reimbursed or applied to another choice of classes. You will be contacted if a change needs to be made.

Parents are asked to deliver their children to their classrooms in the Prizery, Innovation Center or Southern Virginia Higher Education Center. Children will also need to be picked up in the classroom by parents. Classes will be from 9:00 am to 12:00 noon, Monday-Friday. Please bring children no earlier than 8:50 and pick them up between 11:50 and noon.

Students should eat before they come to class since no food or beverages will be provided. Students need to bring non-perishable snack items from home to have during refreshment break. No food or drink will be available for purchase during class time.

*Please let us know if your child has any allergies.

Discipline Policy:

Each child is expected to demonstrate appropriate behavior necessary for learning. If a child disrupts a class and does not respond to correction, his/her parents or guardian will be contacted to pick up the child. The child will be allowed to return to class the following day. However, if the child continues the disruptive behavior, he/she will not be allowed to stay in the program and no tuition will be refunded.
